Dear Ruci,

I called customer service about changing my address for my application, and I was told that I have an attorney named William Heming representing me for my application. Because I never hired an attorney in my application, this information in my application in your record could be a mistake of some kind. Could you please delete this attorney record from my application? My application number is 09/682,315 My customer number is 29390

Best regards,

David Ge
